# Inhabitants of the Earth will worship the Antichrist as God (Revelation 13:8)

“but I shall tell you what is written in the book of truth. No one supports me against these except Michael, your prince” (Daniel 10:21)

“As for you, Daniel, keep secret the message and seal the book until the end time; many shall wander aimlessly and evil shall increase.” (Daniel 12: 4)

“Go, Daniel,” he said, “because the words are to be kept secret and sealed until the end time. (Daniel 12:9)

*The information here collated is from the messages from Heaven in the Jesus to Mankind mission. The messages interpret for us the details in the Book of Revelation.*

*This book (the Book of Truth) was foretold by Daniel in the Old Testament: **Daniel 10.21 and 12:9***

*This list is good to keep handy to check off the details as they happen.*

*If you know what to expect, then you won't be caught in the trap.*

## **Part 1: Signs that will appear beforehand.**

### **Widespread sin**

At this time, sin will be so widespread that human dignity will reach its lowest levels, where **impurity, lust, greed** and every other vile sin, in the Eyes of God, will be witnessed in every public place.

Sin will be declared to be a natural human fault.

You will be told that **God will not judge** you on a weak human trait, so many will embrace sin and have no shame in their souls.

### **False teachings:**

The evil works of Satan will be camouflaged and presented to the world as **Holy Scripture**.

**The new doctrine**, will be said to be divinely inspired by Jesus Christ.

The whole world will be brought to attention, as it is unveiled layer by layer and **applauded, by a secular world**.

Those who you would never expect to give honour to God, will be the first in the queue to embrace the **series of heresies** as they are revealed.

**The false prophets, foretold, will rise in their multitudes to spread lies, through a deceitful global form of evangelism.**

They will ...entice millions into their new, so called, modernised version of My Holy Church on earth.

**“...they will mislead so many with their twisted version of My Word, which will disguise many heresies..”**

“Only the astute will recognise these untruths, for they will be carefully hidden within a **false doctrine**, which will be seen to be a breath of fresh air.”

### **Attacks on Christianity**

The reign of the beast has commenced **when you see images of Jesus disappear** and no longer seen.

**Crosses, Holy Bibles**, missalettes for the Holy Mass, rosary beads, medals, scapulars and Benedictine Crosses **are no longer to be found.**

You will know that the time for the antichrist to enter my Son's Church has arrived, **when the tabernacles have been** adjusted and, in many cases, **replaced with wooden versions.**

Many of you will turn (their) backs on the Truth, because the Truth will be almost impossible to accept.

The days leading up to the arrival of the antichrist will be days of **great celebrations**, in many churches, of all Christian and other denominations.

All the rules will have been changed; the Liturgy recreated; the Sacraments tampered with; until, finally, **the Mass will no longer be celebrated according to Holy Doctrine**

“The Church will be dismantled in different ways **before he, the antichrist, will be asked to become involved.** He will be involved with the **decision making in the plan to launch a new one world religion.**

All these changes – where the Church, having publicly called for the unification of all religions – will take place before the antichrist takes up his seat on my Son's Throne on earth.

Then the path will be cleared for the beast to walk freely in my Son's Church where a place of honour will be accorded to him."

## Part 2: Signs to recognize him by when he appears

### His Appearance and charm

He will be **handsome**;

He will have a **great sense of humour** and **extraordinary communications skills**.

"Be under no illusion, the beast will have a beautiful appearance, his voice soothing, his demeanour grand"

The antichrist's **interviews on television** will be common.

The deceiver, will use logic and reasoning, couched in a soft gentle manner, to convince you he brings hope into your lives. He will, through the antichrist, **strive to make you believe he is the chosen one**.

Many of Jesus' followers will fall prey to the **despicable deceit** of the Antichrist.

He will be seen as the messenger of love, peace and harmony in the world.

He will show you his power and **you will believe it is of a Divine source.**

He will instruct you in a manner that will seem **odd at times.**

True believers will know he is **not of the Light.**

### His demeanour:

His boastful, pompous demeanour will be hidden behind pure evil.

He will **strut and show what will appear to be true compassion** and love for all.

He will confuse you terribly.

He will appear powerful, confident, humorous, caring, loving and will be **seen as a saviour.**

His handsome face will appeal to all, but he will soon change.

His **acts of terror** will be clear for all to see.

He will **destroy your independence** and he will be instrumental in bringing about the mark – the mark of the beast.

He will be seen as the messenger of love, peace and harmony in the world.

He will show you his power and you will **believe it is of a Divine source**

He will instruct you in a manner that will seem odd at times.

True believers will know he is not of the Light.

He will appear powerful, confident, humorous, caring, loving and will be **seen as a saviour**.

His handsome face will appeal to all, but he **will soon change**.

“...**lies, falsities, blasphemies and heresies** ...will pour from his mouth, he will deliver everything as if it were like the honey, which pours from the honeybee’s hive.”

### **The antichrist’s reputation**

He will have **created a (false) peace**.

He did this because of the wars, which he helped to start.

He will make **startling statements**.

## The world's Adulation

Never before will the Catholic Church receive such **public honour with the world's media and political elite.**

Never before will **atheists and all religions**, including those who do not honour Me, **open their arms and drop to their knees in honour of those who say that they are of God.**

The world will adore him and **lay prostrate at his feet.**

The world will **sing the praises** of the antichrist.

The world's celebrities, entertainers, media, movie stars will all **clamour to be seen with the antichrist.**

His **image will be more visible** than anyone who came before him.

He will be fluent in **many languages.**

People will **fall to their knees and adore him.**

"... the path will be cleared for the beast to **walk freely in my Son's Church** where a place of honour will be accorded to him.

Eventually, it will be announced that he will become the leader of the one world order and a **lavish coronation will take place.**

**This event will be seen all over the world,** attended by politicians, dignitaries and celebrities”

**He will have many friends.**

He will be **loved by many governments,** as well as the **enemies within My Church,** who will applaud his every move, vocally, until he is given an **honorary position within My Church.**

**Cardinals, bishops** and other members of My Church will speak of him constantly and **praise him in their homilies.**

He will, through the **supernatural power of Satan,** attract all those who make decisions within My Church, until in time, they will **bow before him as if he is Me.**

### **His influence: secular, religious, political and business**

People will hang onto every word, which comes out of his mouth.

His power of seduction will be so great that it will be hypnotic.

He will, through the supernatural power of Satan, attract all those who make decisions within My Church, until in time, they will bow before him as if he is Me.

He will influence politicians in every nation and those with whom he is seen will be treated like royalty.

His quotes will be preached upon the pulpits of all churches.

He will be given great honour and position in all churches, until eventually he will sit on the new throne in the new temple of Babylon.

His influence will extend to all the banks, trading laws and the world's economy.

The antichrist will create grants to entice companies, organisations, as well as charities, to work for his new one world trade centre.

Great wealth will be created by those who want to be part of the antichrist's empire.

Everyone who swears allegiance to him, either through **religious ceremonies, business or trade agreements, will have to take a mark.**

Those who accept the mark, which will be in the form of a bank card and special chip, which will be embedded into their hand, will **lose their souls to him**.

### **His spiritual claims:**

He will **declare** that he has **received messages from God the Father**.

The messages will **seem to be authentic**.

Using the **power of the occult**, he will be seen to **heal many** and appear to have great spiritual gifts.

Many will be astonished by the **'so-called' miracles** he will seem to perform.

The **antichrist**, will declare himself **to be Jesus Christ, the Son of man**,

He will say that the time has come for him to **reclaim the world and salvage the whole of humanity**

### **Acts of evil and persecution**

“He will **wreak havoc** in the world and will **murder many**”.

“His **acts of terror** will be clear for all to see.”

“He will **destroy your independence** and he will be instrumental in bringing about the **mark of the beast.**”

“Many will die for their faith in Me”

“It will not be my Son they **will worship**, but the antichrist, for it will be he who will **sit on the throne**, which they will erect within its walls.”

“The antichrist will rule close by to where my Son built his Church”.

“Anyone who objects to this church, or who finds fault with it, will be **ridiculed and accused of heresy** by those traitors of my Son, who will, themselves, be the greatest heretics ever to infiltrate the Church of God, since the day of its inception.”

“All of these things are to be re-enacted soon, when I, **Jesus Christ, as Head of My Church, will be discarded and My Crown taken away** from Me.”

“**When the crown is placed on his head, it will be as if the final nail has been driven into the Body of my Son.**

On that day the Catholic Church will be desecrated and **many bishops and priests will flee**, because they will,

by then, understand that the prophecies foretold have unravelled before their eyes.

### Signs to convince people of his holiness:

He will display great physical signs, which will convince people of his holiness. **The antichrist will, they will say, display the signs of the stigmata**

He will be seen to **cure the sick and the terminally ill.**

Great miracles will be attributed to him and he will convince many, in time, that he is Jesus Christ and that his elevation to the top of this false church, is a sign of the Second Coming

### His greatest enemy – the true Catholic Church:

He will be very **careful as to what he says about God** and he will **never refer to the Mother of God**, for she will be seen to have no further role to play.

**He knows the Holy Scriptures inside out and, because of his parentage, will utter the Words back to front, so that their meaning is inverted.**

Out of his mouth will pour the blasphemies, the heresies, the lies and the desecration of My Word.

He will impress everyone with his knowledge of all things Sacred

**He, the antichrist, will twist the Truth and declare the lie that he is Me and that he comes to bring you salvation.**

**The lie will be declared that he comes in the flesh.**

He will never allude to Jesus Christ – Who came in the flesh – by His death on the Cross, for this is impossible. No, he will declare the fact in reverse. He will say that he has come, finally, at this time, in the flesh.

Many will believe him to be the Christ.

He, the antichrist, will speak many languages, **but not one word of Latin will come from his lips.**

(Mother of Salvation) “Christ is his greatest enemy and the object of his hatred, and so his ultimate goal will be to **destroy my Son’s Church.**

The Church will be dismantled in different ways before he, the antichrist, will be asked to become involved.

**He will be involved with the decision making in the plan to launch a new one world religion. All these changes will take place before the antichrist takes up his seat on my Son's Throne on earth.**

Then the path will be cleared for the beast to walk freely in my Son's Church where a place of honour will be accorded to him. Eventually, it will be announced that he will become the leader of the one world order and a lavish coronation will take place. **This event will be seen all over the world, attended by politicians, dignitaries and celebrities and when the crown is placed on his head, it will be as if the final nail has been driven into the Body of my Son.** On that day the Catholic Church will be desecrated and many bishops and priests will flee, because they will, by then, understand that the prophecies foretold have unravelled before their eyes.

### Messages of Warning

“Beware of the man, who declares himself to be the Son of Man, who calls you to him, for he will not be from God. “

“... he will wear a glittering crown of gold.”

“A false leader, the antichrist, will be substituted as My Head”

“My Son will come in the clouds just as He left the earth during His Ascension into Heaven so, too, will it be on the last day.” (Virgin Mother)

He will be handsome and appealing, but out of his mouth will pour venom that will poison your soul.

The antichrist will not take the Church aggressively, by force. He will take up position because he will be invited to do so.

All the **adjustments in the Church’s missals** will be made known soon and the reason given will be they reflect a modern world, so they must become **inclusive, in order to suit other denominations and religions**

Once the **True Word of God and Teachings of my Son, Jesus Christ, are changed**, they will **become barren**, for they will not reflect the Truth, given to the world by my Son.

**My enemies will**, with a soothing and charming manner, have an extraordinary ability to **present lies as being the Truth.**

His **power of seduction** will be so great that it will be **hypnotic**

Only those who continue to **pray for protection and who denounce Satan** in every way they have been taught, **will be able to slip away from the clutches of the antichrist.**
